

TOGETHER IN GOLF NETWORK

"England Golf passionately believes that golf belongs to everyone. All who play, and all who aspire to play, must have an equal opportunity to do so. By listening to underrepresented voices, we will strive to positively affect everyone's experience of our sport. There is no place in golf for any form of discrimination"

We are looking to recruit volunteers to join our Together in Golf network. The purpose of this network is to enable England Golf to be proactive in achieving our organisational aims, to ensure golf is accessible to all with the support of individuals who have a passion for golf and want to help golf continue to progress and grow.

You can review our Respect in Golf Framework [here](#).

We are looking for golfers from all pathways and all golfer journeys to be part of a 20-25 strong network, and are looking for people who:

- Have a strong commitment and genuine desire to make a positive difference in golf.
- Are confident to share their experiences and offer feedback on a wide variety of projects to ensure that the game of golf is more inclusive and accessible than ever.

The group will meet as a minimum, 4 times per year. 3 meetings will be virtual and 1 will be a face-to-face session, location to be confirmed.

You will need to be:

- Confident to share your journey, experiences and what golf means to you.
- Be supportive with communications across social media channels.
- Prepared to contribute to a variety of areas within England Golf, including the development of projects that support the organisational aims.

The network will be managed and supported by our Lead Equality, Diversity and Inclusion Officer, Michelle McGill
